khurmi gupta steam table pdf -  
Table-2 presents the input for the  
evaluation of heat losses in the  
boiler, whereas Table-3 gives the  
evaluated heat losses. The  
efficiency of boiler by indirect  
method is evaluated from  
equation (5) as 91.97%.  
Efficiency of a Coal Fired Boiler  
in a Typical Thermal ... -  
International Journal of  
Engineering Research and  
Applications (IJERA) is an open  
access online peer reviewed  
international journal that  
publishes research .. Peer
